RE: PVR (Physical Assaults,
PVA Harassment) Retaliation

Motion for Injunction for Immediate
Release/Separation

Dear Judge,

My Reason for Writing You directly for This Motion is I've tried to work
through out the South Carolina Grievance system as well as police Service System for
months Nothing has been done but Pitts or Retaliation and violation of several of
United States Amendments. Being denied food, medical, place in cell for hours of Confinement
Hard Restraints, Placed in Black Restraint chair for no reason, officers often use the
word Aggression to Retaliate toward inmates like (self) who file for Physical Assualt
Placed in Cell with no inside or outside view which is illegal in South Carolina. Fair/
equal being taken Read for Weeks. There's a video of the physical/sexual Assault I'd
be viewed by SIED or Surgeon Righteously for Reason of Criminal/Civil hearing. No
Policies in South Carolina are being followed SCDC policy OP.22.38, 22.15, 22.01, 1310.08.
H being violated. I fear for my life because the Capt Daniel Harroff stated Hang yourself
be the last boy at Perry C.I. Q-Dom 4-10. John Palmer (Deputy Warden), Daniel Harroff
et al RHC had an elevation 2019 I was transferred to another institution as a
resolution. Since I've arrived to Perry 8-27-2020 to 9-3-2020 I've been sexually/physic
Assaulted Repeatedly as a form of Retaliation of filing inmate grievance. Policy states there
would be no Retaliation also for those charges there should be immediate separation or
release. Could you please grant my Motion I've been disciplinary free until Sept 2
Perry I'd Also like to see a real investigator. I've been neglected for my Crime to you.

This motion is sworn and true under Perjury!

yours truly,

Wesley L. Givens
